Discipline and Referees*

**Attention, Players, Parents, Volunteers and Supporters of Winter
Lacrosse**

We are very pleased to announce that the Calgary Winter League Lacrosse Association has successfully secured a long term lease for a facility that will become the home of Winter Lacrosse.

The association plans to proceed as soon as possible with the Winter League Season.

The league intends to operate a full 17 game schedule. With the season starting later than usual, it is expected that games will be scheduled for every Sunday with perhaps games every second Saturday (on a rotating schedule).

Our facility requires some renovation and preparations. As the completion date for this work draws closer we will announce the start date for full league play. Every player/family that is registered will receive telephone and email confirmation of their registration and information regarding the season.

A great deal of effort has gone into arranging for our new home. The league executive wishes to offer their sincere thanks and appreciation to the membership for your patience and continued support.

Please check into the league website for updates.
